Phone: (714) 985-1480 Fax: (714) 985-1481
Anaheim@edlen.com

EXHIBITOR:		**BTH #**	
EVENT:	**Landscape Expo 2018**		
FACILITY:	**Long Beach Convention Center**		
DATES:	**October 10-11, 2018**	EVENT #: **108017LA**	

Go to the exhibitors tab at www.edlen.com for an exact grid to match your booth space.

POWER ORIGINATES FROM THE CEILING IN THIS VENUE

Power is dropped from the ceiling to a "main distribution point" in island booths and then distributed from that point. Indicate this location and all other outlet locations using the legend & grid below. Inline and peninsula booths need to provide this information only if power is needed at any other location than the rear of the booth. (See T&C page 4 for examples):

INDICATE BOOTH TYPE	
Island	_____
Inline	_____
Peninsula	_____

INDICATE SCALE & TOTAL SQ FT
Example: 1 Square = 1 Foot
_____ Square = _____ Ft
Total Square Footage = _____

OUTLET LEGEND	
X = Main Distribution Point	▲ = 5amp/500 watt
◆ = 10amp/1000 watt	★ = 15amp/1500 watt
● = 20amp/2000 watt
